Goals and policy
Foundation Gospel Music Festival (GMF) stands for an international charismatic movement with the desire to bring the gospel of Jesus Christ to those that have not been reached.
Our mission is to create strong local christian churches. Especially in countries where the church is or was counteracted due to (former) totalitarian regimes or for other reasons.

We have the desire to bring the gospel of Jesus Christ in such a way that:
- those that not have been reached will be reached;
- those that have not have been touched by the Holy Spirit will be touched;
- and, those that have not been encouraged by the gospel will be encouraged.

Our vision is to train and support, in the most closed nations for the gospel of Jesus Christ, those that are connected to the local church (such as pastors, prayer teams and counsellors) and organizing annually Gospel Music Festivals to reach people with the gospel of Jesus Christ.

For 2015 we have already planned several GMF’s in Myanmar and Laos. In March 2015 a GMF already took place in Vientiane (Laos). For the coming years after 2015 a few concrete plans exist for GMF’s in Bangladesh and Cambodia.

Important values within Foundation Gospel Music Festival are:
- Worship and dedication to Jesus Christ
- Gods Word as a guide line
- Love for each other
- To show Gods heart for the widows and orphans
- The desire to make known the gospel of Jesus Christ
- Freedom through the work of the Holy Spirit
- To believe that the impossible is possible with our God

**Intended activities in 2015, 2016 and 2017**

A central focus in achieving of our goals is to train and coach them that are involved in local churches (pastors, prayer teams, counsellors) and in organizing Gospel
Music Festivals. In the week before a GMF we visit, train and coach local churches. After the GMF we do aftercare with visits and encouragement in churches. For coming season we have planned several activities.

For the reason that the GMF have an annual character our planning for 2015 is quite similar for the planning of the years after. We have the desire that the number and size of the GMF’s will increase coming years. Gospel Music Festivals are open and free to visit for people and is besides the training and coaching around the festival characterized by music from local artist, sermons, worship and ministries focussing on the gospel spiritual gifts. We focus specifically on the most closed countries for the gospel of Jesus Christ. The estimated number of visitors varies from 10.000 up to 150.000 people per GMF.

For 2015 the following GMF’s are planned:
- Vientiane, Laos March 2015
- Nijkerk, Holland May 2015
- Vientiane, Laos August 2015
- Myitkyina, Myanmar November 2015
- Taungnoo, Myanmar November 2015
- Mandalay, Myanmar December 2015
- Yangon, Myanmar December 2015
- Phnom Penh, Cambodia end of 2015
- Dhaka, Bangladesh end of 2015

For 2016 and 2017 we expect to be organized GMF’s in the same areas as 2015. Local partners have already shared their desire to do so. Besides that we intend for GMF’s in new countries and a steady grow of our organisation in this.
